Thrive in the next reality with Lenovo's smarter technology. Our powerful Lenovo ThinkBook devices offer unparalleled productivity, security, and collaboration for modern businesses in the hybrid space. Equipped with innovative technologies, smarter features, and advanced security, our flexible devices enhance user experiences while tackling hybrid work challenges with ease.

IMPRESSIVE PERFORMANCE FOR ENHANCED PRODUCTIVITY

Powerful computing: the brand new AI-enhanced, up to **12th Gen Intel® Core™ i7 processor** lets you breeze through tasks and helps you get more out of your day. The latest Gen **Intel® Alder Lake processor** on Lenovo ThinkBook 14s Yoga is based on the hybrid architecture that offers high performance and efficiency cores within a single chip.

Dolby® Vision™ display: enjoy rich and deep color reproduction that delivers a vivid visual experience, and with a **100% sRGB color gamut**, images are always true-to-life.

Dual SSD¹ storage and memory: leverage every ounce of the **Gen4 SSD storage** performance to access files instantly and multitask across apps with ease. It offers 61% faster read speed and 46% faster write speed than Gen 3.2.

The latest ports for breakneck speeds: equipped with **Thunderbolt™ 4** and USB Type-C ports that allow rapid data transfers and amplified connectivity to monitors and peripherals.

Intel® Wi-Fi 6E: the fastest Wi-Fi yet boosts wireless performance so you can stay productive with stable network connectivity, lower latency, greater bandwidth, and significantly faster speeds.

Easy workflow: power on and log in with one touch using the **Touch Fingerprint Reader integrated on the power button**, just like a smartphone. The Windows 11 multiple desktop feature lets you use the 14s Yoga for work, play, or anything that you want—each home screen with its own customized look and apps.

Up to 12th Gen Intel® Core™ i7 processor

DESIGNED TO IMPRESS AND ADAPT

Set the trend: Lenovo ThinkBook 14s Yoga comes in a thin, sleek, and portable design that always looks the part. Available in a **Mineral Grey** and **Abyss Blue** variants that exudes class while looking professional for an all-business look.

Ultra-portable, 3-side metal: at 16.9mm, it is one of the thinnest notebooks out there, and weighing just 1.5kg/3.31lbs., you can work in style from anywhere. **3-side metal exteriors** add to its premium feel and sturdy build.

4-side narrow bezels: see more on the Full-HD screen with razor-thin bezels across all sides and an 86% screen-to-body ratio that enhances work and entertainment.

Service HotKey: getting device support is simple when you don't need to remember phone numbers or device details. Get access to support services with just a keystroke, thanks to a dedicated service key.

Improved touch mode with Corning® Gorilla Glass: get a more effortless, natural workflow with flexible, accessible device interaction with Windows 11 on 14s Yoga Gen 2. Put your keyboard away and work the way you prefer using **multi-finger gestures and writing with a digital pen** in any app. Made with Corning® Gorilla Glass, the screen is robust and durable, so you can go about your day without worry.

SMARTER, INTUITIVE, AND WELL ORGANIZED

Multiple user modes: Lenovo ThinkBook 14s Yoga can always bend and adapt to your needs. The fluid form factor with **four user modes—laptop, tablet, tent, and present**—lets you turn any space into your workspace. With Snap groups on Windows 11, you can optimize your workflow by quickly snapping the apps you need into a group that you can return to even when you open another app.

Smart Pen: take notes, sketch designs, and sign documents with a pen that is in sync with your workflow. When the screen is locked, just pull the pen out of its slot to open the Smart Note app. For easy access to the Windows Ink workspace, simply pick up the pen to get going. The new haptics support in Windows 11 makes the pen usage much more tactile and realistic.

Enhanced user experience: AI-powered **Glance by Mirametrix** senses face, eyes, and gaze to enhance your work experience while ensuring user privacy. It uses the IR and RGB camera for presence detection and privacy alert. **Super Resolution** provides high-resolution frames for superior video communication.

Fluid navigation: the full touchscreen display with the new **phone-like on-screen keyboard** enables intuitive navigation. The improved touch mode interface maintains the Windows 11 UI with more space between icons and cues for moving, resizing, and working across apps.

Effective collaboration: boot your device by just opening the lid. Intelligently upscale image quality for clearer visuals. Enjoy high clarity conferencing with an FHD camera. Cancel out the noise and make meetings more productive with in-built **whisper voice cancellation** on mics. Select the ideal mode for your mic: Private, Shared, or Environmental. Filter out blue light on your display for added eye comfort. Dynamic thermals adjust themselves to optimize performance.

RECOMMENDED ACCESSORIES

THINKBOOK URBAN BACKPACK

PN: 4X40V26080

A multi-functional backpack with an anti-theft pocket ensures security on the move. The padded compartment offers cushioned comfort, while the high-quality fabric and stylish PU leather accent add to the contemporary design.

THINKBOOK BLUETOOTH SILENT MOUSE

PN: 4Y50X888XX

Modern, low-profile, with an ambidextrous design and silent buttons, this mouse is a must-have premium accessory for your laptop. Sculpted to be comfortable while holding and equipped with a blue optical sensor with track-on-glass compatibility, this mouse works effortlessly even on a glossy surface. Dual-host Bluetooth connectivity (with Microsoft Swift Pair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400 give you more precision and control.

LENOVO GO USB-C LAPTOP POWER BANK (20000 MAH)

PN: 40ALLG2WWW

Powerful, portable, and reliable, the Lenovo Go USB-C Laptop Power Bank greatly simplifies remote working. Carry with you a whopping 20,000 mAh capacity power bank that is enough to charge your laptop at least once and your mobile devices several times over. You can charge up to three devices simultaneously too.
