ThinkPad X9 15 Gen 1 Aura Edition

Step into the future of mobile productivity with a laptop engineered for today's fast-paced professionals. Equipped with up to Intel® Core™ Ultra 7 processor on the Intel vPro® platform, it seamlessly handles demanding workflows, from intensive multitasking to resource-heavy applications. Its sleek design is built for effortless mobility, making it an ideal companion for client meetings, remote projects, or business trips. With unmatched reliability and power packed into a lightweight frame, this laptop is an ultimate tool for conquering the workday even on-the-go.

Redefining possibilities with powerful performance and groundbreaking on-device AI

ThinkPad X Series ultraportables combine enterprise security, manageability, docking and productivity features into a thin and lightweight design.

Enhance visual experiences with its 15.3" 2.8k OLED display. With vibrant colors, anti-reflection technology, and TÜV-certified low blue light comfort, it ensures every image is crisp and clear. Whether presenting ideas or editing visuals, the display adapts to one's needs, delivering impeccable clarity.

Experience crystal-clear sound with Dolby Atmos® 4x side-firing speakers and dual-array microphones with Elevoc noise suppression. Perfect for video calls, presentations, or creative projects, it delivers outstanding audio clarity.

With TÜV Rheinland certifications and Eyesafe® features, the anti-reflection, anti-smudge OLED display ensures reduced eye strain during extended work sessions, making it ideal for professionals juggling demanding schedules.

True-to-Life Colors

15.3" OLED display with X-Rite Color Calibration ensures designers, editors, and creators see their work in vivid, true-to-life color. With 100% DCI-P3 coverage and TÜV Rheinland-certified eye comfort, you can work on intricate details for hours without eye strain. The anti-smudge surface keeps your screen pristine, even during high-pressure deadlines. Whether sketching concepts or finalizing visuals, the optional AOFT Touch transforms your device into a versatile canvas for creative expression.

Uninterrupted Productivity

For remote professionals, staying connected is vital, and Intel® Wi-Fi 7 ensures ultra-fast connectivity wherever you are. Thunderbolt™ 4 ports streamline device compatibility for seamless productivity. With Elevoc noise suppression, online meetings are distraction-free even in noisy settings.

Comfort Meets Functionality

The keyboard's spill-resistant design and 1.35mm keystroke provide a comfortable typing experience, while the optional Glass ClickPad adds smooth responsiveness for precision tasks. Professionals in writing, coding, or strategy find every keystroke intuitive. Long hours are no challenge, thanks to its ergonomic design.

Business-Grade Security

Tailored for on-the-go professionals, it combines lightweight portability with robust security. Lenovo ThinkShield, the dTPM 2.0 chip, and a webcam privacy e-shutter protect your data. Its durable design withstands travel demands, while Thunderbolt™ 4 and spill resistance make it practical for on-the-go productivity.

Choose Sustainability at Every Step

Lenovo is helping to reduce its environmental impact by making the industry's broadest tech solutions portfolio more sustainable. Partner with us to implement sustainable, cost-efficient practices spanning the device lifecycle and make a meaningful difference in how you use technology.

Recycled or Sustainable Product Materials:

Lenovo is innovating to increase energy efficiency and use of recycled content in our devices. Our partnership with like-minded technology like Intel supports our goal towards a brighter, more sustainable future. The use of Post Consumer Content (PCC) recycled plastic, aluminum, and cobalt not only meets high-performance standards but also reflects our dedication to environmental responsibility and a more sustainable future.

- A Cover: 50% recycled aluminum
- C Cover: 50% recycled aluminum
- D Cover: 50% recycled aluminum
- Antenna: 50% PCC recycled plastic
- Battery Cell: 100% recycled cobalt
- Battery Frame: 90% PCC recycled plastic
- Battery Pack: 90% PCC recycled plastic
- Speaker Enclosure: 90% PCC recycled material
- Speaker Magnet: 30% recycled REE (Rare Earth)
- Keycaps: 85% PCC recycled plastic AC
- Adaptor: 90% PCC recycled plastic

Recycled Shipping/Packaging Content:

Lenovo is focused on integrating sustainable materials and reducing waste through innovative packaging design. And we are steadily increasing our use of materials like FSC certified carton, and ocean-bound plastic. Embracing eco-friendly practices, we present packaging for ThinkPad X9 15 Gen 1 Aura that aligns with our green initiatives. Say goodbye to traditional plastic and embrace a greener tomorrow with us.

- FSC-certified plastic-free primary packaging
- Bamboo and sugarcane retail packaging

Product PCC

Battery Frame: 90% PCC recycled plastic, Battery Pack: 90% PCC recycled plastic, Speaker Enclosure: 90% PCC
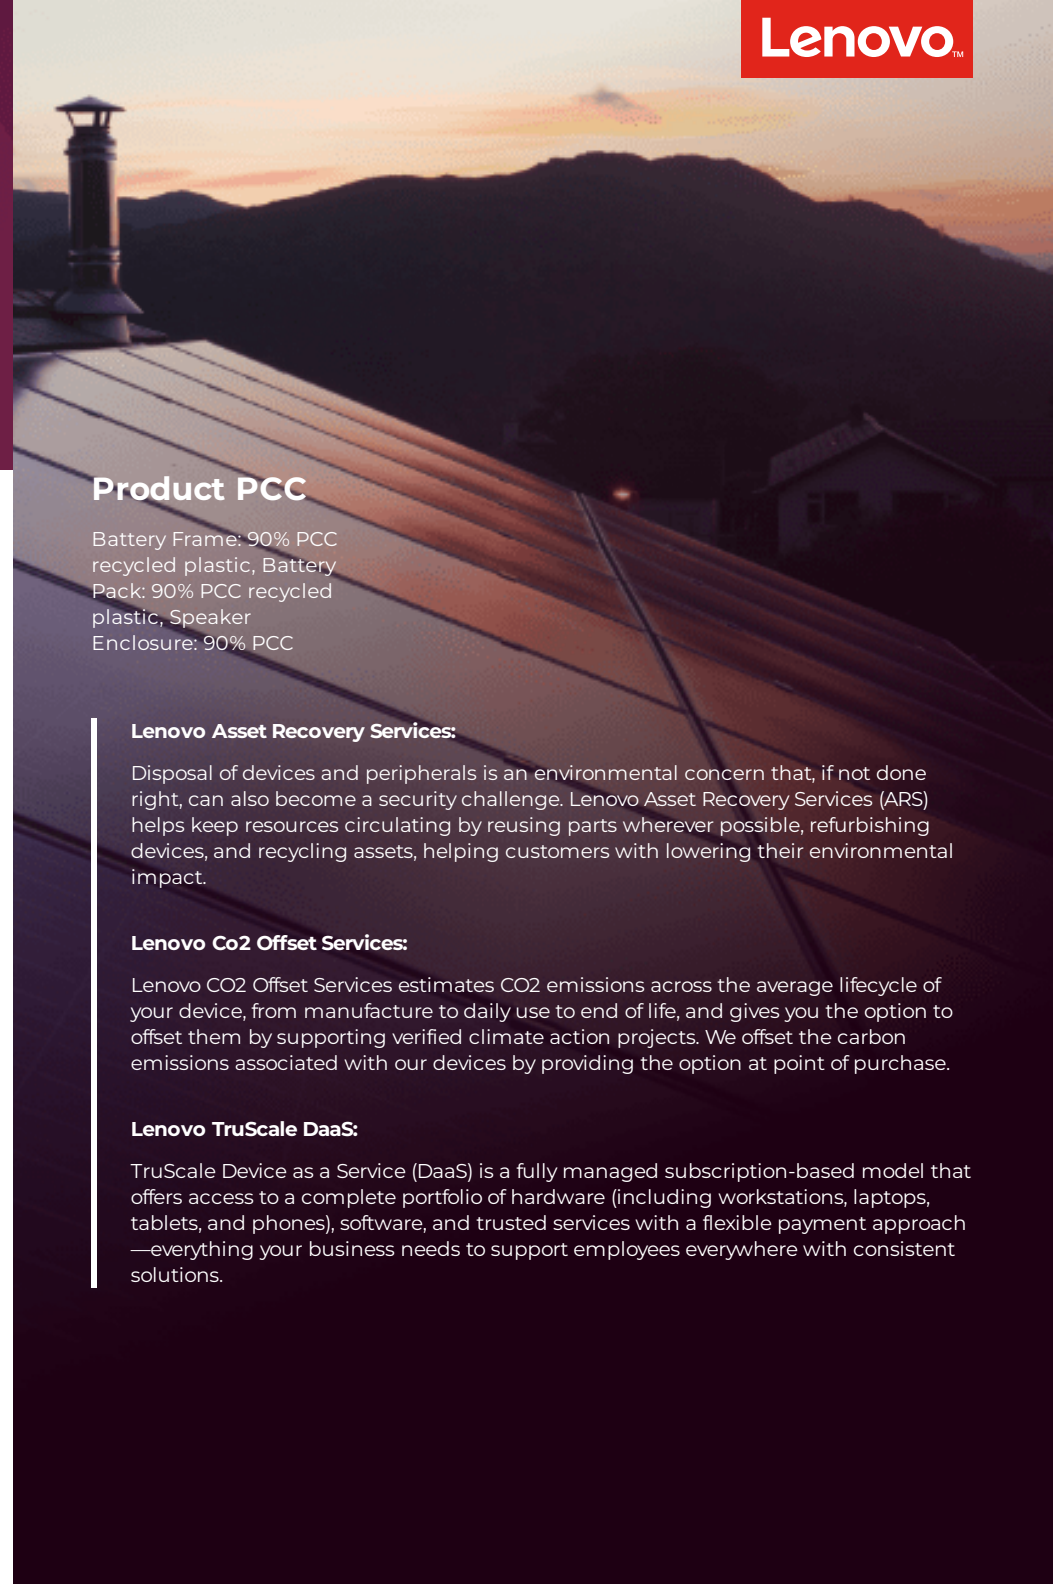

Lenovo Asset Recovery Services:

Disposal of devices and peripherals is an environmental concern that, if not done right, can also become a security challenge. Lenovo Asset Recovery Services (ARS) helps keep resources circulating by reusing parts wherever possible, refurbishing devices, and recycling assets, helping customers with lowering their environmental impact.

Lenovo Co2 Offset Services:

Lenovo CO2 Offset Services estimates CO2 emissions across the average lifecycle of your device, from manufacture to daily use to end of life, and gives you the option to offset them by supporting verified climate action projects. We offset the carbon emissions associated with our devices by providing the option at point of purchase.
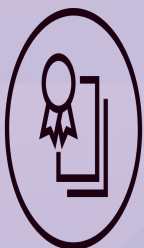

Lenovo TruScale DaaS:

TruScale Device as a Service (DaaS) is a fully managed subscription-based model that offers access to a complete portfolio of hardware (including workstations, laptops, tablets, and phones), software, and trusted services with a flexible payment approach —everything your business needs to support employees everywhere with consistent solutions.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

- No-hassle repair process at a Lenovo service center
- Lenovo pays for all shipping between the customer and service facility
- Avoid unplanned operational expense with a simple annual fee

Accessories

Lenovo Go USB-C Wireless Mouse

- Ergonomically designed ambidextrous mouse with Villi painted grip and wireless connection via USB-C dongle
- Silent buttons with 2-way scroll wheel (up/down), programmable Utility Button on the side
- Default functions optimized for Teams calls, can be configured through Lenovo Go Central Software

PN: 4Y51C21216

Lenovo 16-inch Laptop Casual Topload

- One-size-fits-all compartment for laptops up to 16 inches
- High-quality, water repellent fabric for maximum durability
- Conveniently placed compartments and pockets for quick access

ThinkPad X9 15 Gen 1 Aura Edition

Performance

Processor
Intel 200V Series Core Ultra 5 / 7 Processor (Series 2)

Operating System
Windows 11 Pro
Windows 11 Home
Ubuntu Linux
Linux

NPU
Integrated Intel AI Boost, up to 48 TOPS

Graphics
Intel Arc Graphics 130V (integrated)
Intel Arc Graphics 140V (integrated)

Memory
16GB LPDDR5x-8533 MoP memory, soldered
32GB LPDDR5x-8533 MoP memory, soldered

Storage [1]
Up to 1x 2TB M.2 2242 PCIe NVMe SSD

[1]The storage capacity supported is based on the test results with current Lenovo storage offerings.

Audio
High Definition (HD) Audio
Stereo speakers, 2W x2 woofers and 2W x2 tweeters
Dolby Atmos
Dual-microphone array with smart noise-cancelling

Camera*
UHD 8.0MP with large sensor + IR discrete, with E-shutter, ToF sensor, MIPI

Battery [2]
80Wh (up to 21.18 hr) battery

[2]Battery life claims are approximate maximum. Actual result will vary depending on many factors and the maximum battery capacity will decrease with time and use.

Power Adapter*
65W USB-C slim GaN adapter, PD 3.0
65W USB-C nano GaN adapter, PD 3.0

Design

Display
15.3" 2.8K (2880x1800) OLED anti-reflection / anti-fingerprint 16:10
- 500nits, 100% DCI-P3, Eye Comfort, Dolby Vision, DisplayHDR True Black 600, 120Hz VRR, X-Rite factory color calibration
- 500nits, 100% DCI-P3, Eye Comfort, Dolby Vision, DisplayHDR True Black 600, 120Hz VRR, X-Rite factory color calibration, touch

Keyboard
6-row, spill-resistant, Copilot key, backlight

Touchpad
Glass surface Trackpad or Haptic Touchpad
80 x 135 mm (3.15 x 5.31 inches)

Dimensions [3]
339.55 x 228.5 x 12.9 mm (13.37 x 9.0 x 0.51 inches)

[3]The system dimensions may vary depending on configurations.

Weight [4]
Starting at 1.4 kg (3.08 lbs)

[4]The system weight is approximate and may vary depending on configurations

Color
Grey

Case material
Aluminium (top), aluminium (bottom)

Connectivity

WLAN + Bluetooth*
Intel Wi-Fi 7 BE201, 802.11be, Bluetooth 5.4

Ports
1x USB-A (USB 10Gbps / USB 3.2 Gen 2), Always On
2x USB-C (Thunderbolt 4 / USB4 40Gbps), with USB PD 3.0 & DP 2.1
1x HDMI 2.1, up to 4K/60Hz
1x Headphone / microphone combo jack (3.5mm)

Docking
Docking support via Thunderbolt

Security & Privacy

Security
Discrete TPM 2.0
Touch style MOC fingerprint reader
E-shutter
IR camera for Windows Hello (facial recognition)
ToF Human Presence Detection

Manageability

System Management* [5]
Intel vPro Enterprise*

[5]Intel vPro offers a superset of DASH's defined capabilities.

Certifications

Green Certifications [6] [7] [8]
ENERGY STAR 8.0
EPEAT Gold Registered
ErP Lot 6/26
TCO Certified 10.0
RoHS compliant

[6]The items listed under the "Green Certifications" section may not only refer to certification but also registration or self-declaration.

[7]EPEAT registration and ENERGY STAR certification are optional and only available on the models with preloaded OS.

[8]EPEAT is registered where applicable, please see epeat.net for registration status by country.

Other Certifications
Intel Evo Platform*
Eyesafe Certified 2.0
TÜV Rheinland Eye Comfort Certification (5-star)
